**COLDRIX** Assures happiness always...,

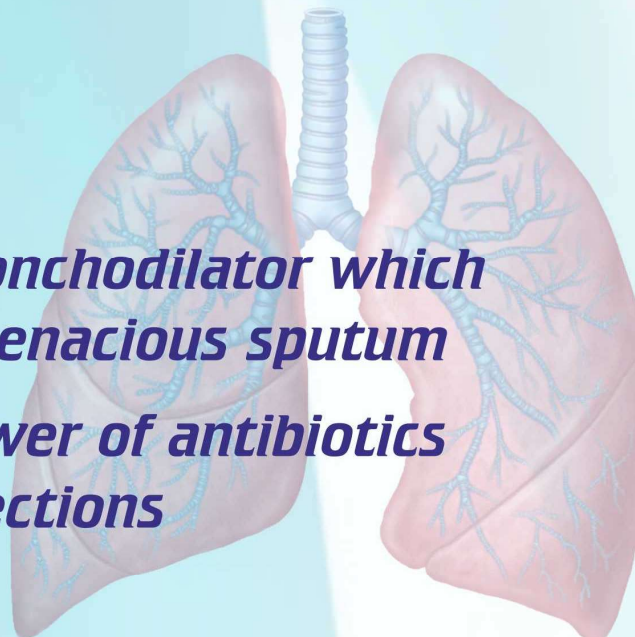

**In Paediatric Productive Cough**

# Sax

Salbutamol 1mg + Ambroxol 15mg Syrup

- *The defensive bronchodilator which clear tough and tenacious sputum*
- *Enhances the power of antibiotics at the site of infections*

**Sax** *Breath easy*

*In Productive cough of **Varied Etiology***

# Sax-G

Terbutaline sulphate 1.25mg+Bromhexine Hcl. 4mg+Guaiphenesin 50 mg+Menthol 1mg Syrup

## **Terbutaline Sulphate**

- A potent Bronchodilator - Time tested

## **Bromhexine Hcl**

- An ideal mcolytic & mucokinetic agent--helps to relieve excessive mucus

## **Guaiphenesin**

- Most advanced expectorant - superior to Ammonium Chloride

## **Menthol:**

- The best soothing agent

**Bronchial Astha**

**Chronic Bronchitis**

**Bronchial Obstruction**

**Sax-G** *Strikes all cough Gently*

# *Skin Protective Lotion*

Rx

## **Calamine**

Protects the skin from infection & sunburn  
Acts as local astringent & skin Protector

## **Light Liquid Paraffin**

Well known Emolient  
Keeps Skin soft

## **Pleasant Fragrance**

- Skin protection against "Heat & Sunburns"
- Protects against allergic rashes due to insect bites
- Cracked nipples in lactating mothers
- Post operative suture care & Post plaster-cast irritation

# ***Keeps skin soft & Supple***

Trusted treatment for Head / body lice

Rx

# Scaber

Permethrin 5% lotion

- \* **Scaber** is active against broad range of pest including Lice, Ticks, Mites & other orthopods
- \* **Scaber** acts on the nerve cell membrane & distrupts Na<sup>+</sup> channel current, which leads to paralysis of pest.
- \* Application of **Scaber** within 30 min of head bath increases the effectiveness

in

\* **Pediculosis** \* **Scabies**

# The Trusted Cooling Systemic Alkalizers

# Rx **Alkacit** SYRUP

Disodium Hydrogen Citrate 1.53gm Syrup/5ml

## *Indications :*

- ✓ A systemic and urinary alkalizer
- ✓ Helps to break and drain calculi
- ✓ Electrolyte replenisher and diuretic
- ✓ Burning micturition
- ✓ Systemic alkalizer which relieves the discomfort of cystitis caused by lower urinary tract infections
- ✓ Forms soluble complexes with calcium thereby reducing urinary saturation of stone forming calcium salts
- ✓ Prevents the development of uric acid renal calculi in the initial stages of uricosuric therapy for hyperuricemia

To regain the fast action against **Pain & Inflammation**

Rx **Afen**

Aceclofenac 100 mg Tablets

Rx **Afen Plus**

Aceclofenac 100 mg + Paracetamol 325 mg Tablets

*In*

• Low back pain  
• Osteoarthritis

• Cervical pain  
• Dental pain

### **Aceclofenac**

- ▶ Directly inhibits PGE2 secretion at the site of inflammation
- ▶ Stimulates the synthesis of the extracellular matrix of the human articular cartilage
- ▶ An NSAID with greater cox-2 specificity when compared to diclofenac sodium

### **Paracetamol**

- ▶ Potent & safe analgesic
- ▶ Relieves mild to moderate body pain

**Afen**

Significantly greater safety than other NSAID's

**Afen Plus**

Brings back the smile...

Your trusted therapy in **Hypertension**

Rx **Amloven**

Amlodipine 5 mg Tablets

Rx **Amloven Plus**

Amlodipine 5 mg + Atenolol 50 mg Tablets

- \* Gradual onset of therapeutic action
- \* No fluctuations in BP
- \* Controls during vulnerable morning hours
- \* Spares sudden cardiac episodes or myocardial ischaemia
- \* Peak plasma concentrations achieved within 6-12 hrs.

#### **Reduces**

- ♥ Progression of heart failure
- ♥ Mortality and morbidity rates

#### **Offers Renoprotection**

- ♥ Improves G.F.R.
- ♥ Retards progression towards end stage Renal Disease

- \* Hypertension
- \* Arrhythmias
- \* Angina Pectoris
- \* Renal Improvement

*Cares heart comfortably. . . ,*

CUTS | WOUND | BURNS | SURGICAL

The powerful Trifactor  
Rx **BASKIN** OINTMENT  
Povidone iodine+Metronidazole+Sucralfate

- **Povidone iodine** - anti-septic: offers excellent microbicidal activity<sup>1</sup>
  - **Metronidazole** - Anti-infective: for the common anaerobic infections of the skin
- Sucralfate**
- Preserves microvascular integrity<sup>2</sup>
  - Enhances the area of granulation tissues
  - Excellent wound healing property

2. AMJMED 1991, Aug. 8,91 (2A)-158S-160s

### *Indications*

- Traumatic wound
- Infected wound
- Surgical wound
- Diabetic ulcer
- Lepromatous ulcer
- Pyoderma & Cellulitis
- Bed sores
- Venous ulcers

**BASKIN** OINTMENT  
The powerful Trifactor

When **Fever associate with Cold** which disturb your patients...

Rx

# **COLDRIX** Tablets

Paracetamol 650 mg+Phenylephrine Hcl 10 mg+  
Chlorpheniramine Maleate 2mg

- ◆ Common Cold
- ◆ Febrile Conditions
- ◆ Nasal Congestion
- ◆ Nasal Stuffiness
- ◆ Allergic Rhinitis
- ◆ Sinusitis

• **Dry Cough** • **Cold** • **Congestion**

Rx

# **COLDRIX-D** Tablets

Dextromethorphen 10mg+Phenyleprine Hcl 5mg  
+ CPM 2 mg Tablets

# In Worm Infestations

The Broad spectrum Anthelmintic

Rx

**Elworm**

*Albendazole 400 mg (Micronised) Tablets*

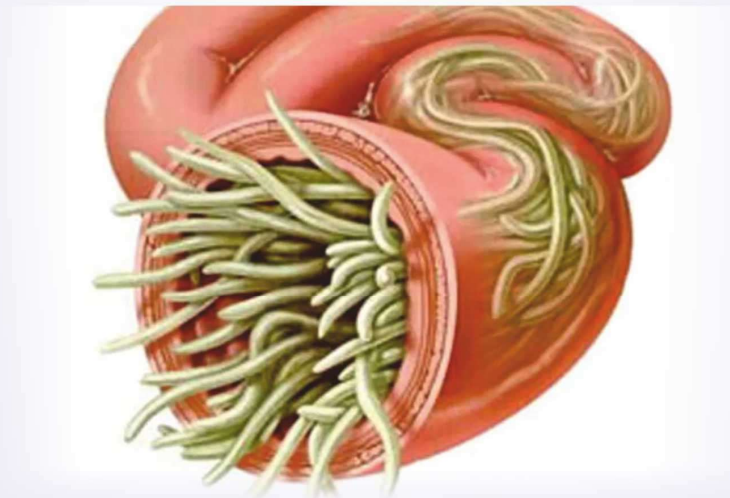

The dual power Anthelmintic therapy

Rx

**Elworm-i**

*Tablets*

Albendazole 400mg (Micronised) + Ivermectin 6mg

- Broad spectrum effective against Ova, Larva & Adult worm
- Highly effective in mixed infection
- Well tolerated & Safe

- Acts on all stages of worm's life cycle
- Eradicates all types of worms
- No dietary restrictions and dose-timing
- Absolutely free from side-effects and one-tablet schedule dose compliance

Low Back Pain, Sprains, Strains & Joint Pains

Rx

# MOB

**Gel &  
Liniment**

**Topical Gel**

Diclofenac Diethylamine, Linseed Oil, Methyl Salicylate with Menthol Gel

- **Diclofenac Diethylamine**  
Inhibits prostaglandin synthesis that cause inflammation & Pain
- **Linseed Oil**  
Reduces the inflammation  
Provides quick relief from sprain
- **Methyl Salicylate**  
Potent anti-inflammatory agent  
Relieves pain in musculoskeletal, joints and soft tissue disorders
- **Menthol**  
Soothes and enhances analgesia

**MOB** *Flex Beyond Limits*

**Faster Relief**

**No side effects**

**Safe for long-term usage**

Rx **MOB** OIL

An Ayurvedic Anti-arthritic oil

**Mahanarayana Tailam**

Has analgesic, anti-inflammatory properties especially useful in frozen shoulder, lumbago as it is vatshamak (Ref: Rastantrasar & Sidbha Prayog Sangraha vol 1, page 680)

**Mahamasha Tailam**

Strengthens the synovial membrane and cartilage tissue of debilitated joints (Ref: Rastantrasar VOL - 2. Page 312)

**Vishagarbha Tailam**

Drug of choice for painful conditions, neuralgia, low back pain & sciatica (Ref: Rastantrasar VOL - 1. Page 844)

**Nirgundi**

Exerts powerful anti-inflammatory effect

Rheumatoid Arthritis

Pain

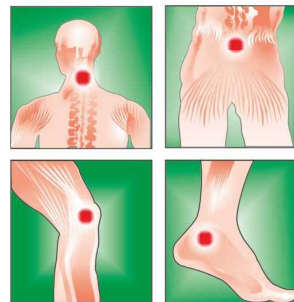

Inflammation

Back Ache

Frozen Shoulder

Tennis Elbow

- SITE SPECIFIC ACTION
- CLEARS INFLAMMATORY EXUDATES
- DEEPER PENETRATION FOR INSTANT RELIEF
- OFFERS CUTANEOUS VASODILATION

**Modifies Arthritic Problems ...**

**Revives & Restores MOBILITY Naturally**

**MOB** OIL

**Restoring The Mobility**

*Rejuvenate **Neurons** Effectively in all conditions*

Rx

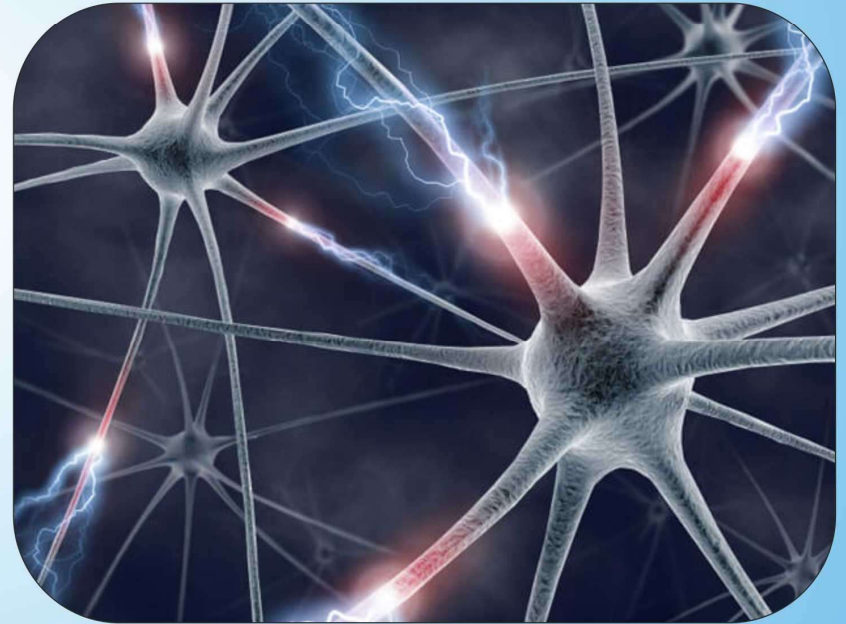

# Meclin

Syrup  
Injection

Methylcobalamin with Neurotropic vitamins

## Methylcobalamin

- Promotes axonal transport and axonal regeneration
- Improves motor nerve conduction
- Improves sensory disturbances like paresthesia, numbness and autonomic dysfunction
- Decreases the Plasma total homocysteine levels, lowering the risk of atherosclerosis
- Improves sub acute combined degeneration of the spinal cord

**Diabetic Neuropathy**

**Alcoholic Neuropathy**

**Post Herpetic Neuralgia**

**Meclin** *Rejuvenate Neurons effectively*

The Extra Power in **Neuro Rejuvenation**

Rx **Meclin-XT\***

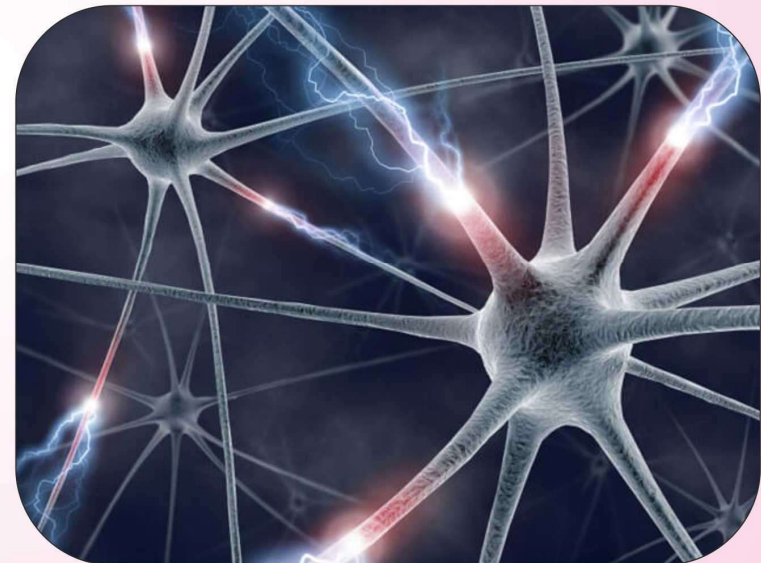

**Methylcobalamin 1500 mcg+Pregabalin 75 mg+ALA 100 mg+  
Thiamine mononitrate 10 mg+Pyridoxine 3 mg + Folic Acid 1.5 mg Capsules**

**Methylcobalamin**

- Promotes axonal transport and axonal regeneration
- Improves motor nerve conduction
- Effectively improves Pain and sensory disturbances in diabetic neuropathy

**Pregabalin**

- Helps in controlling painful conditions of Neuron  
Safety well established.
- Exhibits analgesic effects at nerve terminals

**Diabetic Neuropathy**

**Neuritis**

**Fibromyalgia**

**Meclin-XT** The Extra-ordinary

When the **allergy** is  
more concern !!

Rx **Monel**

Montelukast 10 mg+Levocetirizine 5 mg Tablets

**Cysteinyl Leukotriene Receptor Antagonist**

- \* Significantly improves daytime nasal symptoms<sup>1</sup>
- \* Enhances the effects of lower doses of antihistamines<sup>2</sup>
- \* Improves nasal airflow, reduces recurrence<sup>3</sup> of nasal polyps
- \* Preferred additive therapy

1. Ann Allergy Asthma Immunol 2004

2. J Allergy Clin Immunol. 2003 Oct; 112 (4 suppl): S96-100

3. Am J Respir Med.2002;1(6) 403-8

Rx **Monel-kid**

Montelukast 4 mg+Levocetirizine 2.5 mg Tablets

**Pediatric Asthma**

- \* Established efficacy in improving pulmonary function
- \* Reduces symptoms, decreases night awakenings
- \* Decreases the need for rescue medication
- \* Helps in tapering the corticosteroid dose
- \* Approved for children above 1 year

**Monel** *The comfort for concern*

# *In acid peptic aggression*

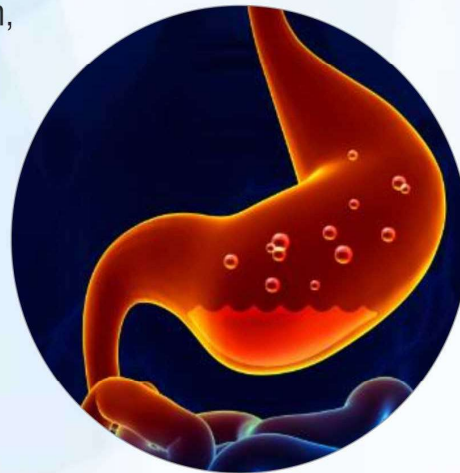

Rx **PRAZ**

Pantoprazole 40 mg **tablets**

Rx **PRAZ-D**

Pantaprazole sodium 40 mg + Domperidone 30 mg  
sustained release **capsules**

- Effectively and rapidly blocks the acid secretion, acid inhibiting effect lasts more than 24 hours.
- More pH stable.
- No drug interaction, hence safe for Asthmatic, Diabetics, epileptics and cardiac patients.
- Ensures 24 hours control of acid secretion and relieves pain.
- Better healing rates compared to all PPI.
- Ensures faster symptomatic relief.

## **Dual power Acid Inhibitor**

### **Domperidone**

- Effective antiemetic
- Eliminates nausea & vomiting in GERD, Duodenal ulcers, Gastritis

*Ref1 –Journal of Indian Medical Association 2008*

### ◇ *Indications :*

- Hyperacidity
- Drug induced gastritis
- GERD / reflux esophagitis
- Peptic & duodenal ulcer
- Zollinger-ellison syndrome
- Co-prescription with NSAID's

### ◇ *Indications :*

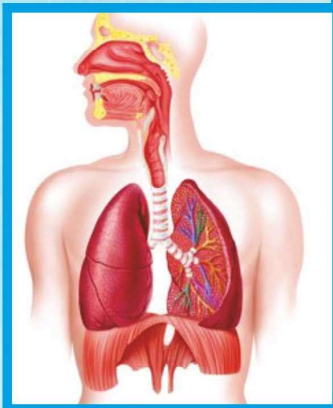

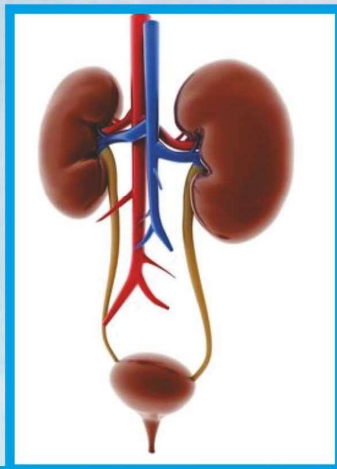

- Dyspepsia
- Acute duodenal ulcer
- Promotes gastric emptying
- GERD
- H.Pylori positive duodenal ulcer
- Zollinger-ellison syndrome
- Acid peptic disorder

The **No.1** Proton Pump Inhibitor

**The No.1  
Quinolone**

***Fight against Polymicrobial infections***

- \* Polymicrobial infections
- \* Diarrhoea & Dysentery
- \* Gastroenteritis
- \* Skin & Soft tissue infections

- \* Gynaecological infections
- \* Pelvic Inflammatory Disease
- \* Post surgical infections
- \* Dental infections

Rx **LOXIN**  
Ofloxacin 200 mg Tablets

Rx **LOXIN**  
Ofloxacin 100 mg/5ml Susp.

The most acceptable quinolone  
& imidazole combination

Rx **LOXIN-OZ**  
Ofloxacin 200 mg+Ornidazole 500 mg Tablets

▲ Enteric fever ▲ RTI ▲ ENT ▲ UTI ▲ Gynaecological infections

***The most preferred quinolone in Polymicrobial infections***

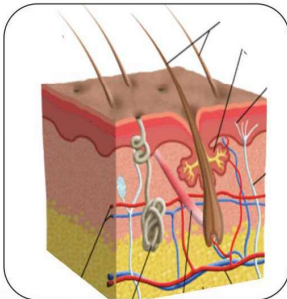

*The empirical antibiotic of choice in OPD*

Rx

# Skypod

Cefpodoxime Proxetil 100 / 200 mg Tablets

**The preferred 3rd generation oral cephalosporin**

- Potent activity against Gram +ve & Gram -ve pathogens
- High stability in the presence of Betalactamase
- Low MIC against most respiratory Pathogens

*Indications :*

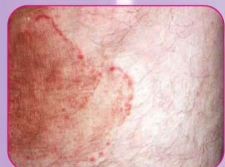

- ◆ Upper & Lower Respiratory Tract Infections
- ◆ Acute exacerbation of chronic bronchitis
- ◆ Skin & Soft tissue infections
- ◆ Uncomplicated UTI

**Skypod** *An ultimate choice of antibiotic*

Time Tested & Broad Spectrum Anti fungal agent

Rx **Skyto** SOAP

Ketoconazole 2% w/w

*In*

- Tinea Versicolor
- Tinea Corporis
- Tinea cruris
- Tinea pedis
- Seborrheic Dermatitis

*High TFM 76% Grade 1 soap which leaves no dryness after use Itch & Inflammation*

**Skyto** *Fight against the Fungus promptly*

## *In Gastric Ulcers Trusted Choice*

Rx **Tocid**  
Sucralfate 500 mg Suspension

- ◆ Forms a polymer and assumes a sticky gel like consistency
- ◆ It adheres to ulcer base and has been seen endoscopically to remain there for 6 hours
- ◆ Acts as a physical barrier preventing acid, pepsin and bile from coming in contact with the ulcer base
- ◆ Promotes ulcer healing

### *In conditions like*

- ◆ **Prophylaxis of stress ulcers without acid suppression**
- ◆ **Duodenal ulcers**
- ◆ **Gastric ulcers**
- ◆ **GERD during pregnancy**
- ◆ **Superior in smoking patients**

**Sugar Free**

Rx **Tocid-O**  
Sucralfate 500 mg and Oxetacaine 10 mg Suspension

### **Sucralfate**

- ◆ Precipitates surface proteins at ulcer base & acts as acid resistant physical barrier preventing acid, pepsin & bile from coming in contact with ulcer base

### **Oxetacaine**

Acts as local anaesthetic thus provides instant relief

- ◆ Treats & prevents Ulcer
- ◆ Adheres to damaged ulcer tissues
- ◆ Protects against acid & enzymes

**In patients receiving chronic NSAID therapy, simultaneous administration of sucralfate reduces the incidence of superficial gastric lesions**

Medical journal armed forces india 1994 Apr; 50(2); 93-6

## **Sure Healing..... Sure Relief**

When *balance disorders*  
spins life...

Rx

**Vertix** **8**  
**16**

Betahistine 8 mg / 16 mg Tablets

- ◆ Promotes inner ear micro-circulation, reduces endolymphatic pressure
- ◆ Protects vestibular neurons and prevents hearing loss
- ◆ Provides symptomatic & prophylactic relief
- ◆ Free from sedation & EPS, safe in elderly.
- ◆ Restores balance & self confidence in patients.
- ◆ Predictable response - Dramatically reduces intensity, frequency & duration of Attacks.

*The Best Therapeutic choice  
in the management of Vertigo*

Vertigo  
Tinnitus  
Fluctuating hearing loss  
Associated head ache,  
Nausea and vomiting.

**Better alternate to**

Cinnarizine  
Flunarizine  
Prochlorperazine

**With excellent safety profile.**

- ✓ No EPS effect ✓ No dependency potential
- ✓ No drowsiness ✓ No habit forming tendency

**Vertix maintains the balance**

**Revitalizing** for a healthy and active life

Rx **Reviz**

**Multivitamins+Lysine+Zinc Syrup**

- Infants
- Young & Growing
- Adolescence
- Elderly
- Convalescence
- To boost immunity
- Upgrade protein
- Other vitamins & Biotin to meet all deficiency states

**Reviz**

**The Revitalizer**

When the need of **Calcium** is more than usual

Rx **Bone Mineral Denser**  
**BMD** Tablets  
Calcium Citrate with Magnesium+Zinc+Vit.D3

Rx **Bone Mineral Denser**  
**BMD** Syrup  
Calcium Gluconate+Vit. B12+Vit. D3

- \* High calcium content with better calcium absorption & utilization
- \* Helps bone mineralization
- \* Stimulates intestinal calcium & phosphate transport
- \* Supplements enhanced needs of calcium during pregnancy & lactation

*Indications*

- \* Pregnancy & Lactation
- \* Osteoporosis due to Menopause and ageing
- \* Adjunct to treatment of fractures
- \* Calcium deficiency
- \* Prevention & treatment of dental caries

**BMD** Bone Mineral Denser

# In Iron Deficiency Anaemia

Rx **Skyfer**\*  
Syrup  
Tablet  
Iron Sucrose Injection

Ferrous Fumarate, Folic Acid, Zinc

- \* Pregnancy
- \* Iron deficiency anaemia
- \* Iron insufficiency
- \* Trauma and injury

## Ferrous fumarate – Better choice

- 🍏 Significant rise in haemoglobin within 2 weeks<sup>1</sup>
- 🍏 Mean Hb increase – 3gm% compared with carbonyl iron
- 🍏 Better tolerability compared with carbonyl iron
- 🍏 Independent of gastric acidity for absorption
- 🍏 Gastro friendly
- 🍏 Convenient OD dosing

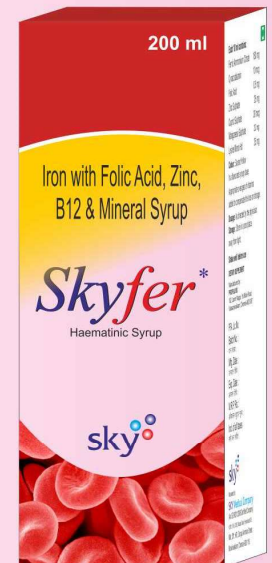

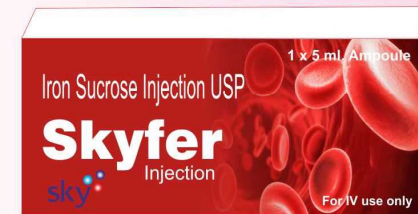

## Ferrous fumarate – Better tolerability<sup>1</sup>

- 🍏 Ferrous fumarate rated better as per Patient's
- 🍏 Global Assessment to Response Therapy

Ref<sup>1</sup> – Journal of Obstetrics & Gynecology 2009

## Folic Acid

- 🍏 Reduces risk of neural tube defects
- 🍏 Helps in RBCs formation
- 🍏 Improves RBC maturation

**Skyfer**\* **Absorption, Action Assured**

The Fast & Safe **Antispasmodic**

Rx **Emspas**

Mefenamic Acid 250 mg + Dicyclomine Hydrochloride 20 mg **Tablets**

**DICYCLOMINE:**

- ◆ Proven Antispasmodic

**MEFENAMIC ACID:**

- ◆ Unique blockade anti-prostaglandin action

*Indications*

- \* Dysmenorrhoea
- \* Intestinal Colic
- \* Biliary Colic
- \* Renal Colic

The Double Trouble  
of **Menorrhagia**

Rx **Emspas-TX**
